## Tough Challenge From Audio A

"I want to be your hands. I want to be your feet." These words rang out from the Timberwood Amphitheater at the Magic Springs & Crystal Falls theme park in Hot Springs back on August 14<sup>th</sup>. But for this statement to become more than empty words, it's going to take some action on the part of you! You see, if you become Jesus' hands, you may get a little dirty. It may mean you have to do some things that are "out of the box." When you become Jesus' feet, you may find yourself in some places that make you uncomfortable. You see, Jesus refused to conform. He lived a life without compromise. He had a mission, and he never took his eyes off it.

You, too, have a mission. We talked the day before school started about your mission, and- more importantly- your decision. You can choose to "hide out", to "blend in". That's the safest thing to do. The enemy (Satan) won't be after you if you do that. But if

you really want to be Jesus' hands and feet, it means you are going to come under fire. Of course, you always have the base to come to each week and recover, re-energize, and regroup. Hope things are going well on the battlefield!

## See You At The Pole

*"Who may ascend the hill of the LORD? Who may stand in His holy place? He who has clean hands and a pure heart, who does not lift up his soul to an idol or swear by what is false." Psalm 24:3-4 (NIV)*

On September 15<sup>th</sup>, millions of students all over the world will converge at their school flag poles to pray for their country, their teachers, and their classmates. This year, you can be a part of the largest student-led prayer event in history! If you've never been a part of See You at the Pole, then let this be your year! On Wednesday, September 15<sup>th</sup> at 7 AM, join the many Christian students on your campus to pray for a great awakening in your government, in your school, and in your life.

This year's theme is "ASCEND: Clean Hands, Pure Heart." The point is this: don't let this year's event be just another "religious" event. Make sure your hands are clean (that you are living a life that pleases God) and your hearts are pure (that your greatest desire is God's will). When you approach the throne of God with this attitude, God will do some awesome things!

## It's Promotion Time!

I want to say a HUGE "Hi there," "Hello," and "Welcome" to all the newcomers to the Youth Group! We have several new 7<sup>th</sup>- graders that are with us now, and I'm very excited that I get to be a part of it. Just remember, if you ever have any questions about anything, I'm just a phone call or email away. My email is [brorobert@bethelstation.org](mailto:brorobert@bethelstation.org), and my home number is 239-8820. It's my prayer that, through the Student Ministry at Bethel Station, you will grow into disciples of Christ and become the leaders God wants you to be.
